

John Scripture Memory for 2024.

Below is a list of verses you could memorize as we go through John in 2024. A few tips. Memorize for the purpose of godliness. Seek to understand what you have memorized. Memorization is a great way to meditate on scripture so that the truth of scripture seeps into all aspects of your life.

For Example: You memorize John 15:5 "I am the vine you are the branches. If a man remains in me and I in him, he will bear much fruit; apart from me you can do nothing." As a parent, or student, or an employee you begin to think of all the things you have to do. You are reminded, I could do nothing without Jesus. Then you begin to pray "Jesus, lead me to abide in you because without you I can do nothing. "

God uses our scripture memory to encourage, instruct, and convict us. His word is truth and we benefit from having the truth stored in our minds so that we can recall it for ourselves or to minister to others.

Consider enlisting an accountability partner or plan to share your scripture memory with your small group. We also have a bible memory group on the Biblememory.com website. You can download their app for your smartphone and join the River Scripture Memory Group.
